Noting with appreciation that voluntary contributions have been made to the Mission and to the Trust Fund for the United Nations Transitional Administration in East Timor,

Mindful of the fact that it is essential to provide the Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Taking note of the views expressed by Member States,[3]

1. *Takes note* of the status of contributions to the United Nations Transitional Administration in East Timor and the United Nations Mission of Support in East Timor as at 30 September 2004, including the contributions outstanding in the amount of 74.8 million United States dollars, representing some 4 per cent of the total assessed contributions, notes with concern that only thirty-three Member States have paid their assessed contributions in full, and urges all other Member States, in particular those in arrears, to ensure payment of their outstanding assessed contributions;

2. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full, and urges all other Member States to make every possible effort to ensure payment of their assessed contributions to the Transitional Administration and the Mission in full;

3. *Expresses concern* at the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments,

4. *Also expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

5. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

6. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

7. *Reiterates its request* to the Secretary-General to make the fullest possible use of facilities and equipment at the United Nations Logistics Base at Brindisi, Italy, in order to minimize the costs of procurement for the Mission;

8. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,[2] subject to the provisions of the present resolution, and requests the Secretary-General to ensure their full implementation, in particular:

(*a*) That the staffing of the Serious Crimes Unit will be further adjusted after the completion of the investigations to be commensurate with such residual tasks as it may have once the investigations have been completed;

10. *Endorses* the view of the Advisory Committee on Administrative and Budgetary Questions in paragraph 31 of its report[2] that the position of Force Commander should be classified at the D-1 level, but authorizes the Secretary-General, as an exceptional measure and without prejudice to other peacekeeping missions, to maintain the incumbent at the D-2 level given the difficulties in recruiting a replacement owing to the short time remaining until the completion of the Mission;

11. *Emphasizes* that the Serious Crimes Unit should complete all investigations by November 2004 and should conclude trials and other activities as soon as possible and no later than 20 May 2005;
